Hello everyone, just wondering if you'd be interested in checking out my story 'When Seven Came Home' The link to the story is here : it is a YA/NA Horror story set in a future where people have fought a war between seven nations, and the winner has been decided. The winning nation has come to occupy the rest of the world, however one small group of survivors have fought back and survived. I would like to hear what you think about my story and it would be great if you have any ideas on how I can improve it, please feel free to comment and I will reply. I love this kind of horror and my second story is set in the same world and has elements of anime/cartoon style (which is my favourite kind of horror) hope you can take a look at that one as well, I would love to hear what

you think about that one too! I love this kind of horror and my second story is set in the same world and has elements of anime/cartoon style (which is my favourite kind of
