On this web site, I will encounter, on my own, the, new, yet-to-be-presented, information that is yet to be put in front of you. If you feel that there is a need to contact me with a question, please do so, and I will answer in the most expedient manner possible. Contact Me I also welcome contact to the following e-mail, as well as the following phone numbers. E-mail: Please do not hesitate to contact me for any information, or to ask for information. Phone #: I do not have a public or private phone line, though I do have an answering machine.The present invention relates to an improved pyrolysis chamber for thermal decomposition and carbonization of waste material and, in particular, to a chamber having a novel integral base and base jacket. In general, a pyrolysis chamber has two functions. It is required that the pyrolysis chamber contain the waste material that is to be treated and permit thermal decomposition of the material into a substantially carbonized material. Second, the chamber must retain the heat that is generated during decomposition. A need has thus existed for an improved pyrolysis chamber that maximizes both the thermal and physical characteristics of the chamber and the efficiency of the operation thereof."Everyone loves me, except their accountant". Who knows why but something about that quote has always made me chuckle. But as a business owner, and especially if you're a small business, it's a good reminder of the importance of our relationship with our bookkeeper. In today's blog post, we're going to talk about the importance of your relationship with your bookkeeper and how crucial it is for your business to do it right. Here'
