## CyberCrime Security Forum 039;08 Countdown Gadget PC/Windows

### What's New In?

Cybercrime - Security Forum 08 The Cybercrime Security Forum is an annual conference and trade show aimed at law enforcement and security personnel in the field of computer crime and online security, and is the most prominent forum for these two fields. The conference is organised by the Hellenic Computer Crime Association (HCCA). The 8th edition of the conference was held in Athens, Greece, from the 20th to the 24th of August 2008, and the 10th edition will be held in Piraeus, Greece, from the 17th to the 19th of August 2009. Installation: You have to download and install the 'Microsoft Sidebar gadget' from the Microsoft web site. Note: It is a Windows Vista Sidebar Gadget, not a Windows 7 Sidebar Gadget. This is because Microsoft are planning on dropping support for Windows 7 Sidebar gadgets. Usage: In order to use this gadget, right click in the desired location of the desktop and select 'Add to Sidebar'. The gadget will then automatically be added to the Sidebar. Notes: This gadget is designed to be used with Windows Vista only. Upgrades: This gadget can be upgraded by downloading the latest version available from the Microsoft web site.
